Hi,

See the slides. It seems that we will not get a chance for further review. In looking at the slides, the revised HED slide (#8) seems to be more in EFED territory per se. We should make sure we agree with that and be prepared to discuss that. It seems that if they assume

Hi Team,

I'm sorry for the late update on the slides. Soon after the meeting, we learned that the RD/IO wanted the slides earlier this afternoon. We tried to capture some/most of the discussion points from the meeting this morning; however, there was not time to go into the depth suggested and there was no time for further team review.

Attached are the slides that were sent forward. As usual, the RD/IO is reviewing the slides and has reserved the right to make last minute changes.

Additionally, we have not heard anything yet on the timing of the AA briefing, but will let you know as soon as we do.

Thanks.

Debra
